Judging CV

email: marcelle@belamba.co.uk

I started showing dogs as an 11 year old in 1966, and worked for the famous Miss Norah Woodfield (Pathfinder Irish Terrier) kennel at the weekends. I handled mainly Dachshunds for my headmistress at local open shows, and did have the pleasure of handling a friend's Afghan hounds at one open show in 1971. Children were not taken very seriously in those days, and I didn't win anything much either.

As a child I competed with my dogs in obedience (I wasn't allowed a pedigree dog of my own). With my Tervueren I have also competed in obedience, agility and herding trials.

I worked as a dog groomer from 1971, and still do some to this day. I had much experience in those days with the Afghan hound, but sadly for all the wrong reasons! Lots and lots of sad matted messes to deal with.

Whilst living in Germany in the mid 70s I became involved with a local breeder's Leonbergers, and handled at several shows in that country, including the big Dortmund show.

Back in Britain I purchased my first pedigree dog, a Rough Collie, in 1977 and started showing dogs once more.

I acquired my first Tervueren in March 1979 (before they gained CC status in 1984). We had much success, breeding 7 champions (including Britain's 1st champion and 3 Ch show group winners) and importing and making up another 3 champions (including Britain's first grey champion). In all nearly 200 CCs have been won by dogs we've bred or are out of our breeding. The 9 Tervueren I exported abroad also gained their titles with many winning groups and SBIS awards.

I have exhibited Tervueren for almost 27 years. Roger and I have honorary life memberships of the BSDA of GB and I was a founder member of the NBSDC. We are editors of the BSDA of GB year-book and I wrote Tervueren breed notes for both dog papers for 17 years. I have served as a committee member of the BSDA twice, and was awarded 'the medal of merit' for my work with BSD rescue. I'm an approved temperament tester for the BSDA and have attended several breed judging seminars.

My other main love has always been the sight hounds, and after losing the last of our Tervueren through old age, we decided to look at becoming more involved in this group of dogs.

In 2000 I purchased my first Afghan Hound, and have owned, shown, raced and lure-coursed this breed exclusively ever since. Our first girl 'Araki Shaggie Maggie at Belamba' gained a CC at Belfast Ch Show aged 15 months. I have visited Afghan Hound breeders in Scandinavia (and attended their breed speciality) and in The Netherlands.

I also help where possible, to foster the 'difficult to adopt' Afghan Hounds for Afghan Hound Rescue until the right home comes along.

Although I didn't need to, I took the KC Conformation and Movement Seminar and passed with 100%. I also attended the KC Stewarding Seminar.

I have attended 3 Afghan Hound breed seminars and in October 2006 I passed the MAHC judging exam.

Other breeds that I have been involved with are Schipperkes, Borzois, Chow Chows, Pomeranians, Greyhounds and Rough Collies.

Stewarding Experience

I started stewarding in the 1980s, but as I had no idea at that time that it would later be relevant I can recall the shows and judges, but in most cases not the dates!
